MM Docket 93-48
Secretary, Federal Comm. Commission
Room 222
1919 M St., NW
Washington, DC 20554

Dear Sirs:

I would like to add my voice to the millions of Americans who are appalled by the increasing amount of violence allowed for children's programming.

I ask that something be done about this as our children are our future and if the TV fare continues as is I feel it will be very detrimental to our children.

Sincerely,

William L. Chollak, M. D.
